

## **Rothco Camo Boonie Hat**

**Dominate the sun and great outdoors with our Camo Boonie Hat! These military sun hats are made to government specifications, and provide 360-degree defense from the sun. With a wide, structured brim, these military boonies shade your neck and face, keeping you cool. These military hats are great for playing a few rounds of airsoft, along with hunting, hiking, fishing, and other outdoor activities!**

### **Tough and Long-Lasting Materials:**

- **Go ahead and wear your camouflage boonie hat without a worry! Constructed from a durable 55% cotton / 45% polyester blend, these camo hats easily withstand consistent outdoor use and sun exposure while providing a comfortable fit and feel.**

### **Tri-Color Desert & MultiCam Patterns:**

- **Tri-Color Desert Camo Boonie is 55% cotton / 45% polyester rip-stop, while MultiCam Boonie is 65% polyester / 35% cotton rip-stop. The MultiCam fabric is U.S. made, and is licensed through Crye Industries.**

### **Tactical Utility:**

- **Each military camouflage hat features branch loops that are woven into and around the crown, allowing you to camouflage with surrounding vegetation, such as small branches, leaves, and plants.**

### **Designed with Comfort in Mind:**

- **These military hats also feature 4 screened side vents that cool you down by circulating hot or humid air away from your head. The adjustable chin strap ensures the camouflage bucket hat stays in place during a windy day or when you're in motion.**
